

**INSTITUTE OF POWER ENGINEERS  
ONTARIO AREA**

Employment Advertising with the IPE Ontario Area

***Institute of Power Engineers?***

The Ontario Area of the Institute of Power Engineers is part of a Canada wide non-profit organization dedicated to promoting the public awareness of the role played by Power Engineers in our power dependent economy. In Ontario we are referred to as Operating Engineers and it is a profession with an early-established history.

***Who are our Members?***

Our members are mostly Power Engineers. We do not affiliate with any labour organization and therefore are the true voice of Power Engineering. Our membership consists of union, non-union, and associated members. The IPE fosters business relations, provides technical presentations and promotes the exchange of technical skills and knowledge among members.

***Advantages of Advertising with us?***

Placing your employment ad on the IPE Ontario Area website will reach a target audience of mostly Operating Engineers. Job seekers will be able to view your ad directly at our Ontario Area website or through the IPE national by website link. The benefit of the link is that your ad will be seen from coast to coast. Those looking at relocating to this region will likely see it. It will help in achieving your recruitment goal.

***How much does it Cost to Advertise?***

The advertisement cost is \$100.00 per ad for 60 days or \$200 for a full year. Payment may be by using PayPal for credit card transactions via an electronic invoice or by cheque. The ad is posted once payment has been received, An invoice will be sent to you.

***Posting a Job?***
